Les is a 30 year veteran of the Royal Canadian Mounted Police and is recognized as an expert in the field of indoor cannabis cultivation investigations in North America. He has been an expert witness for both Canada and the United States. He has cultivated indoor marijuana under license for the RCMP numerous times to train investigators and in an undercover capacity. As a result, he has a very unique, "hands-on" experience with marijuana cultivation to share with law enforcement trainees.

The class will cover the following:

- * Legalization and Medical Marijuana Discussion
- * How cannabis grows in natural outdoor environment and thus, how and why it grows indoors
- * In depth training on cannabis horticulture
- * Recognizing the two cultivation methods as Two Stage and Three Stage
- * How to estimate yields and profits from indoor cultivation site
- * How to locate and investigate indoor marijuana grows from start to finish
- * Conducting surveillance, securing power records, and conducting thermal imaging
- * Preparing a raid plan, officer safety issues with search warrant, evidence collection, and how to testify in court
